EDUCATION

Associate of Science in Multimedia Programming and Design, May 2025

Borough of Manhattan Community College, New York,

SKILLS

- Cinema 4D, Blender
- After Effects, Figma
- Communication, Teamwork
- Time Management
- Google Suite (Gmail, Sheets, Slides)

ACADEMIC EXPERIENCE

Lock and Key Animation, 2024, Photoshop, Cinema 4D, After Effects.

- Created a storyboard and a mood board for the animation
- Modeled and animated the project in Cinema 4D, creating textures in Photoshop.
- Rendered the animation as PNGs and imported them into After Effects as an image sequence.
- The animation was submitted to the BMCC 2024 Film Festival.
- Demonstrated cinematic lighting (use of point lights to create a well-lit composition)

MTA Price Reduction Campaign, 2023

- Created a media campaign to reduce the MTA price from \$2.75 to \$2.50.
- Conducted topic and target audience research, including demographics and psychographics.
- Developed a campaign strategy based on statistics gathered.
- Created a script for the commercial, including a shot list.

EXPERIENCE

Order Fulfillment Associate, Brooklyn, NY, May 2020 to Present

The Home Depot

- **Efficient Order Processing:** Located, identified, picked, and prepared online and in-store customer orders for timely fulfillment.
- **Customer Service:** Assisted customers with locating products and provided a positive shopping experience.
- **Inventory Management:** Monitored stock levels, restocked shelves, and ensured accurate inventory counts.
- **Collaboration:** Worked with team members to streamline operations and meet daily fulfillment goals
- **Problem Solving:** Resolved order discrepancies to maintain customer satisfaction and operational efficiency.
